COVID-19 Advisory

It is strongly recommended that attendees at the convention be fully vaccinated against COVID-19 prior to attending the Conference. COVID-19 is an extremely contagious virus that is easily spread by person-to-person contact, especially in indoor areas with multiple attendees. Participating in NFDA's Convention could increase the risk of contracting COVID-19, especially for those who are not fully vaccinated.

All attendees will be required to strictly comply with any safe practices required by government agencies and/or the venue where the convention is held, following the instructions of NFDA and hotel and convention center staff. By registering for the event, each attendee acknowledges and assumes the risk of being exposed to COVID-19. Please visit nfda.org/Nashville2021 for the most up-to-date schedule and latest COVID-19 health and safety information.

Policies

NFDA Cancellation Policy: NFDA reserves the right to cancel the convention due to circumstances beyond its control. Should circumstances arise that result in the postponement of the convention, registrants will have the option to either receive a full refund or transfer the registration fee to the same program at a future date. NFDA's liability for any cancellation is limited to a refund of the registration fee and shall not extend to any other claims, including, but not limited to: travel expenses, cancellation fees, lost wages, inconvenience and other related costs.

Replacement (Lost) Badges: NFDA convention badges must be worn. If you lose or forget your badge, a replacement badge can be purchased for a \$70 USD fee at the NFDA Registration Desk. If you find a badge, please return it to the NFDA Registration Desk. An NFDA International Convention & Expo badge is required at all NFDA events.

Vendor Email Policy: Exhibitors using lead retrieval equipment receive a pre and post-convention list of the attendees whose badges they scanned in the Expo Hall. If you do not want your email address provided on this list, please check the box labeled "Opt-out from vendor emails" or contact your member services representative at 800.228.6332.

Photography/Videography Policy: By registering for this event, you consent that photos and videos of you at the event may be published in print or posted online in online photo albums; on photo/video-sharing sites such as YouTube; on social media sites such as Facebook, Twitter, LinkedIn and Instagram; and in other web-based media at the sole discretion of NFDA.

Americans With Disabilities Act (ADA): NFDA only uses facilities that are in compliance with the ADA. If you require special assistance while attending convention, please visit the NFDA Registration Desk.

Note: Companies scheduled to exhibit at the 2021 NFDA Expo and their booth assignments, all workshops/presenters and all events are subject to change. Please see the NFDA Convention app for the most current information.
