Health Advisory

The National Funeral Directors Association's (NFDA) number one priority is the health and safety of our event participants. While our goal is always to hold a safe event, it is not possible to remove all risks. Participating in this event could increase the risk of contracting a communicable disease, including COVID-19. If you have currently or within the past fourteen days have experienced any symptoms including fever, cough, and shortness of breath, among others, or if you have been diagnosed with or believe you may have been exposed to a communicable disease, we would request that you stay home, and we can meet again soon. NFDA's health and safety policies and procedures will be posted on the NFDA website and are subject to change. Thank you for your cooperation and understanding as we navigate this dynamic environment.

NFDA reserves the right to cancel the program due to circumstances beyond its control. Should circumstances arise that result in the postponement of a program, registrants will have the option to either receive a full registration refund or transfer registration to the same program at a future date. NFDA's liability for any cancellation is limited to a refund of the registration fee and shall not extend to any other claims, including, but not limited to, travel expenses, cancellation fees, lost wages, inconvenience and other related costs. Cancellation policies vary by event.
